Subject: Tomorrow's PFC call with EPA and Commissioners

Hi All

By now you have received the notice there is a call scheduled for tomorrow at 10:30 between EPA (RA) and the state commissioners. As no surprise it is about PFOA/PFOS. There will be news.

WE have shared the list of UCMR systems in NE that had detects – if you haven't already, you may want to inform your commissioners about those with elevated levels.

Hopefully will talk to you tomorrow.

Let me know if any questions.

Have a good night

Jane
